Updated 2019 Federal W-4

A final, updated version of [Form W-4](#), Employee's Withholding Allowance Certificate, was released Dec. 11 by the Internal Revenue Service. The final version of the form, **for use in tax year 2019**, is similar to the 2018 version of the form now in use and retains the use of withholding allowances. The amount of one annual withholding allowance is \$4,200 for 2019.

IRS updates related to the W-4, including information about legislation related to the form, may be found at the agency's website www.irs.gov/FormW4.

The new withholding tables can be found here: <https://www.irs.gov/pub/irs-pdf/n1036.pdf>

If your employees are utilizing the *HowardSimon* HR Management portal to directly update their W-4 information online the W-4 form will be updated by the start of the new tax year. If you would like more information in regards to this system please contact us at support@hsapayroll.com.
