## ACA – IRS Extends Employer Reporting Deadlines

On Monday, December 28, 2015 the [IRS announced](#) they will extend two important ACA filing deadlines for forms 1094 and 1095 in 2015:

1. The date to furnish employees with 1095 forms has been extended from February 1, 2016 to March 31, 2016.
2. The date to file the 1095 and 1094 forms with the IRS, if filing electronically, has been extended from February 29, 2016 to June 30, 2016.

As a result, we are extending our ACA deadline. If you enrolled in HowardSimon ACA Services, employee ACA data must be updated by **February 12, 2016** rather than January 8, 2016. For more information on how to update employee coverages [please click here.](#)

### Employee Statement Impact - 1095-C

The IRS has also made this statement in regards to employees who rely upon the information on form 1095-C to determine their eligibility for the premium tax credit in 2015:

*“when filing their income tax returns need not amend their returns once they receive their Forms 1095-C or any corrected Forms 1095-C. Individuals need not send this information to the Service when filing their returns but should keep it with their tax records.”*

As always, if you have any questions please do not hesitate to contact your client service representative.

**Thank You and Have a Happy New Year!**
